### The Rutgers University Mock Trial Association (RUMTA)

humbly invites you to be a judge at our second annual Mock Trial invitational. Collegiate mock trial brings together students from universities all across the nation in a fun, educational, and competitive environment. This coming season, we will compete against other colleges using a fictional civil case pattern and rules of evidence, representing both the plaintiff and the defense. These “mock trials” are judged by actual attorneys and judges who score teams based on their preparation, presentation, and trial advocacy skills. Your participation and feedback as a judge for us aspiring attorneys would be invaluable. Moreover, CLE credits are available in return for your help.

The competition will consist of four rounds of “mock trials,” with two on each day. However, you are under no obligation to judge all four rounds. Should your schedule only allow you to judge for one day instead of two, we would be happy to accommodate you. Any amount of your time would be immensely appreciated. Breakfast and lunch will be provided by RUMTA to all of our judges.

Please do not hesitate to contact us with any questions or concerns. We look forward to seeing you at SKMTI!
